Ministry Opportunities

*A guide to how you can get
involved at Destiny Church Bayside*

Destiny Church Bayside is a place where we want you to feel comfortable enough to put up your hand if you ever want to volunteer. We have many areas in which we need assistance at church and in our community. If you find a role below you think might suit you, please get in touch with the leader whose contact details are listed. They'll be happy to chat with you and answer any questions you have, and then help you undergo any training to become part of the team.

'Hands of Hope' Outreach Program

We all need an extra hand at some point in life. 'Hands of Hope' is a Destiny Church Bayside ministry initiative designed to offer help and support through:

Small Groups & Prayer

We encourage every person who attends Destiny Church Bayside to attend a small social group. We have groups to suit every age and life stage including a mixed group, men's group, women's groups and our young adults have a fantastic youth program that all run throughout the week.

Everyone needs prayer for something going on in their lives. Being a member of a Christian social group is the best way to make friends and receive the support you need. In the event of an issue, problem or sickness, the Bible instructs the one who is unwell to call the elders of the church so you can be prayed for and supported through your illness. We encourage you to contact Pastor Kathy Scott or your group leader if you are experiencing a difficulty.

[How can you help?](#)

If you are not already a member of a small group and would like to host or join an existing group, please email church administration. We also have a prayer group at Destiny Church Bayside who meets every Friday at 4.30pm in the local area. If you would like to come along and pray with us please speak to Glenda Morrison at church for meeting details or email admin@destinychurchbayside.com

Christian Resource Library

There is a library trolley at church filled with some fantastic Christian resources including books, Bible studies, Christian worship CDs and DVDs that you are more than welcome to borrow. Please feel free to have a browse through the collection before and after the Sunday morning service.

[How can you help?](#)

If you have any literature or music you would like to donate or lend the library please speak to Lis O'Brien at church or email admin@destinychurchbayside.com

Pastoral Care & Meals Program

Destiny Church is here to help the community any way we can. If you or someone you know is struggling and would appreciate an emergency food hamper please contact church administration with the details.

How can you help?

Can you help us to be able to provide emergency food hampers to people in need? Just buy an extra pantry item each week and pop it in the basket near the church kitchen. We want to be able to give out many hampers to families in need whenever the opportunity arises. Or perhaps you would like to be more involved and help with meal rosters and deliveries? Please speak to Louise Daemon at church or email louise@destinychurchbayside.com

Support Network

Sometimes we all need a little one-on-one time with someone we can talk to about life's ups and downs. We offer a support network at church where people can catch up over a cuppa throughout the week and spend some quality time together with Christian friends who can encourage, support and lend an ear.

How can you help?

If you have some spare time and would like to join the network please speak to Lis O'Brien or email church administration at admin@destinychurchbayside.com

Ministry

Kids Church & Youth Ministry

Each Sunday morning, children get to participate in their own classes at Destiny Youth, Kids Church and Tiny Tots Church. Bible lessons are taught in such a way that every child gets to participate and learn in a fun and creative environment.

How can you help?

We are always looking for volunteers to help us out with setting up and running each age-specific program. Voluntary positions vary but may include teaching lessons, playing games with the kids, facilitating talk time through general chatting with the kids. Volunteers are also welcome to help organise Youth Group on a Friday night. Please speak to Brad Wyatt or Liz Jackson at church or email brad@destinychurchbayside.com

Please note: Anyone wanting to be involved in Kids' Ministry will need to go through a recruiting procedure consisting of a Working with Children Check, application and interview.

Weekend Services

Worship Team

The Worship Team is responsible for leading the congregation in praise and worship during weekend services. We enjoy using our musical gifts and abilities to glorify God. Worship Team members must be committed Christians who regularly attend church and are able to make a commitment to performing on a weekly basis.

How can you help?

If you have a singing or musical gift, why not put it to good use in the worship team? New members are very welcome! A short and basic audition is required. Please see Jill Wyatt for more information or email your details to jill@destinychurchbayside.com

Hospitality Team

Making our congregation feel right at home is one of our biggest priorities at Destiny Church Bayside. We like to make sure everyone is comfortable and welcome and provide a delicious morning tea after every service so you don't want to leave! Our hospitality team run the kitchen and prepares morning tea before the service commences, sets up communion and cleans all the plated and dishes.

[How can you help?](#)

If you have a spare half hour in the morning and can arrive before the service or perhaps if you are happy to stay back after the sermon there is always a task to be done! Please speak to Glenda Morrison at church or email church administration with your details and availability to admin@destinychurchbayside.com

Helps Team

Our team members are responsible for meeting new people who visit church, making them feel welcome and at ease, as well as providing further information about the church. They also assist with a variety of roles such as greeting and welcoming people through the front door, collecting offerings, distributing communion, serving tea and coffee and setting up and packing up church seating to name a few.

[How can you help?](#)

If you have a spare half hour in the morning and can arrive before the service or perhaps if you are happy to stay back after the sermon there is always a task to be done! Please speak to Glenda Morrison at church or email church administration with your details and availability to admin@destinychurchbayside.com

Production Team

Our Production Team is responsible for what goes to the screen, what the stage looks like, and what the speakers and worship team on stage sound like.

[How can you help?](#)

Ideally, we would love volunteers to have some knowledge and experience with sound operation, multi-media presentation, lighting operation and stage management. Please speak to Tim Mann at church or email church administration with your details and availability to admin@destinychurchbayside.com

Admin & Events

Church administration is always busy organising events and preparing a range of digital media and administration documents including PowerPoint presentations, church flyers and newsletters and organising events.

Events team members may be responsible for a variety of areas for any event, including planning and preparation, hospitality, guest speaker provisions, stage design, theme design, promotions, and many other aspects of event management.

[How can you help?](#)

Skills you could contribute to the Admin & Events might include organisational skills, administration skills, event management experience, hospitality experience and even stage and creative design. Please speak to Lis O'Brien at church or email church administration with your details to admin@destinychurchbayside.com
